INSTRUCTIONS

(C) A family is composed of the father and mother;

(D) For each person the following information is to be furnished:

1. NUMBER. A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME. If there be both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Digits marks are to be used under the surname of the head for the surnames of the other members of *one* family.
3. SEX. "M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY. Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE. Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD. "F," for full blood; " $\frac{1}{4}$," for one-fourth or more Indian blood; " $\frac{1}{4}$," for less than one-fourth Indian blood.
7. MARITAL STATUS. "S," for a single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members, the appropriate term which designates the particular relationship the person bears to the head is to be used.

~~9.~~ RESIDENCE.

- (a) At jurisdiction where enrolled; Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
- (b) Or at another jurisdiction. The name of the jurisdiction is to be given.
- (c) Or elsewhere:
1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
 2. County.
 3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon membership in a tribe living on a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND IDENTIFICATION NUMBERS.—“Al,” for allotment; “An,” for annuity; and “Id,” for identification, before the appropriate number or numbers. All numbers are to be shown.

(E) Rolls not prepared in strict conformity with the above instructions will be returned for correction.
